

Tyler Beadle

I work well independently. I enjoy challenges that help me grow as an employee and a person. Problem solving is very enjoyable for me and I find helping people rewarding. Studied and meticulous web designer, passionate about coding, self taught programming, web design, and mobile app skills, implementation and running. Aiming to secure a permanent role within a SaaS or a front-end developer.

Self employment on Fiverr

Currently freelance offering the following services:

<https://www.fiverr.com/drone658/code-you-a-website>

- Pixel-perfect HTML, CSS, and JavaScript implementation.
